## 2. PREPARATION PERIOD

2.1. To document orders for services and enter into contract-applications, resolve business issues related to the preparation and holding of the Event, receipt of notifications, acts and performance of other actions related to execution of the Basic Contract, the Organizer or Participant shall appoint an authorized person vested with all necessary powers within 10 (ten) office days and notify Crocus Expo accordingly. For its part, Crocus Expo shall also notify the Organizer of the appointment of its authorized person responsible for the Basic Contract execution.

2.2. During the preparation period the Organizer shall review the specifications of the areas of the Exhibition Centre to be used for the Event (Appendix 1 herein) as well as the terms of services provision and the contents thereof (services Guide).

2.3. Taking into account the information received, the Organizer shall buildup the exhibition in the Exhibition area as of the Basic Contract in terms of space and location with requirements of the General Builder Requirements set out in the Basic Requirements of BuildExpo LLC for Organization of Events in Crocus Expo

(hereinafter referred to as General Builder Requirements), restrictions on weight loads of floors, electrical safety and other operating specifications, requirements of ensuring fire and public safety when holding mass events taken into consideration. Authorized representatives of Crocus Expo and the General Builder pursuant to assigned duties shall verify the compliance with the requirements hereof.

The relevant Crocus Expo departments and services and the General Builder monitor the compliance with the regulations and requirements.

**2.4.** The exposition and auxiliary facilities buildup, catering zones, stage build up, technical facilitation, movement routes at the exposition, holding of the Event actions on the Overall Exhibition Centre area outside the contracted space is allowed only if approved by Crocus Expo.

**2.5.** The exposition and auxiliary facilities buildup, catering zones, stage build up, technical facilitation, movement routes at the exposition, holding of the Event actions shall be made on the basis of exhibition halls technical specification received by the Organizer at the General Builder with a due account for the General Builder Requirements.

**2.6.** The developed and approved exposition plan with a buildup schedule taking into account the installation of bulky exhibits in the stands and special installation equipment required therefore, shall be agreed by the Organizer with the General Builder at least 10 (ten) office days prior to the Overall Event period. The Organizer shall transfer the approved plan to Crocus Expo person responsible for the Basic Contract support for approval. Unless approved and agreed upon, no plan shall be accepted for execution.

**2.7.** The Organizer shall establish the time schedule for related events in accordance with the Event schedule specified by the Basic Contract and other regulatory documents, if any.

**2.8.** Not later than 10 (ten) office days prior the Overall Event period the Organizer shall submit to Crocus Expo in agreed form the following documents and materials:

- 2.8.1. list of the Event Participants with their names specified;
- 2.8.2. samples of badges for the Event Participants;
- 2.8.3. invitations for the Event not less than 200 and invitations to the official opening of the Event not less than 20.

**2.9.** All information of the Organizer as of terms and conditions of the Basic Contract and the General Terms herein shall be signed by the person who has signed the Basic Contract or by any other Authorized Person.

**2.10.** The Organizer shall acquaint the Participants of the Event and contracted Builders with the Event regulating documents effective during preparation and holding the Event in the Exhibition Centre including the General Terms herein, Instructions for Crocus Expo logo usage, Fire Safety Regulation during Buildup (Dismantling) of Expositions and Events Holding in Pavilions and Outdoor Areas of Crocus Expo Krasnogorsk Subsidiary CROCUS AO and shall provide for meeting all of conditions and requirements specified in the documents.

**2.11.** The Organizer shall provide for the emergency medical service for the Event period if required by Crocus Expo.

### 3. PROVIDING EXHIBITION AREA FOR THE EVENT

**3.1.** The Exhibition area shall be transferred to the Organizer (Participant) exclusively for the Event organization and holding (Participation in the Event) in accordance with terms and conditions of the Basic Contract and the General Terms herein.

Costs for using the Exhibition area includes the following Crocus Expo expenses related to supporting due condition of the Exhibition area:

- cost of general electric lighting, ventilation, heating of the Exhibition area;
- cost of the Exhibition Centre general security services (security posts on the entrance groups of the pavilion and the loading gates of the exhibition halls involved. The service of the control access at the entrance to the used halls is carried out at the expense of the Organizer);
- cost of garbage removal from the Exhibition area and removal of construction waste to burial on solid domestic waste landfills daily one time a day during buildup and dismantling of the Event (disposal of stand fitting materials and collection of bulk waste, packaging and empties shall be paid for by the Organizer or Participant extra according to the Services Guide rates);

- cost of cleaning of the Exhibition Center territory and aisles daily one time a day during the Event period (additional cleaning of the hall aisles, cleaning of stands and offices of the Event, as well as garbage collection from packaging and containers shall be made at the expense of the Organizer or Participant;

- cost of waste baskets removal 3 times a day during the Event period;

- cost of services rendered by Crocus Expo employees on duty (administrators and technical staff).

**3.2.** Crocus Expo shall provide for service personnel in the premises of the Exhibition Centre in accordance with the conditions stipulated in clause 3.1. of the General Terms herein and in other provisions of the Basic Contract.

**3.3.** Configuration and size of the Exhibition area and relevant rental payment stipulated by the Basic Contract shall not be reduced by the Parties after the Basic Contract signing save cases stipulated herein.

Size of the Exhibition area as well as related rental payment can be reduced by the act issued by the Parties not later than the last day of the Event period following the results of actual measurement of the Exhibition area, but not more than by 10 (ten) percent of the Exhibition area size of the Exhibition Area fixed in the Basic Contract on the date of signing.

If the Organizer's increased payment for using the Exhibition Area against its size determined by results of its actual measurement, the excessive amount should be transferred to the settlement account of the Organizer or can be taken into consideration on mutual settlements for services.

**3.4.** The size of the Exhibition Area and related amount to be charged for using the Exhibition Area specified in the Basic Contract can be increased in the below stated cases and against the below specified documents signed by authorized representatives of both Parties and being an integral part of the Basic Contract:

3.4.1. if the double-decker (second floor) has been added to the Event stand: on the grounds of an act drawn up by the Parties not later than on the last day of the Event period on the results of actual measurement of the double-decker space. Thus the Organizer shall pay extra amount at the rate of 70 (seventy) per cent of the rental rate for using the Exhibition Area specified by the Basic Contract for each square meter of the second floor space per day during the Overall Event period;

3.4.2. if the Organizer intends to use the extra Exhibition Area: under the relevant supplementary agreement signed by the Parties prior to the Overall Event period beginning or on the grounds of an act drawn up by the Parties not later than on the last day of the Event period on the results of actual measurement of the Exhibition Area.

Thus the extra Exhibition Area in the size not exceeding 10 (ten) per cent of the size of the Exhibition Area specified in the Basic Contract on the conclusion date shall be paid at the rental rate for use of the Exhibition Area specified in the Basic Contract on the conclusion date, and in the size exceeding the specified size – at the rental rate defined by the supplementary agreement of the Parties or on the grounds of actual measurements.

**3.5.** The size of the used Exhibition Area and the related amount to be charged for using the Exhibition Area shall be defined on the grounds of a bilateral act drawn up following the results of actual measurement of the Exhibition Area not later than the last day of the Event period. After the specified date no claims on size of the used Exhibition Area shall be accepted.

**3.6.** During the actual measurement, the size of the Exhibition Area is defined as the area of a rectangle, describing the external dimensions of the Build up space. When placing an exhibition exposition with boundaries other than a straight line, it is allowed to define this dimension as an hexagon area where each side adjoins the adjacent side at a right angle. One side of such a rectangle (hexagon) is taken to coincide with the wall line with the entrance group. In this case, if the distance from any other side to the hall wall is less than 3 m, the side of the rectangle (hexagon) taken into account in the actual measurement is taken to coincide with the line of this wall. The procedure for actual measurement of the Exhibition Area is contained in the Basic Requirements of the General Builder.

**3.7.** The Organizer shall accept the Exhibition Area contracted for the Event prior the buildup starts. The Exhibition Area shall be transferred in accordance with the Basic Contract and against a bilateral Transfer/Acceptance Act of the Exhibition spaces under the contract for the Event holding, conforming size and configuration of the Exhibition area space for the Event holding.

In case the Organizer refuses to sign the Transfer/Acceptance Act of the Exhibition spaces under the contract for the Event holding, the Exhibition area is considered not transferred (not accepted) about what the protocol of disagreements specifying the reasons for which the Transfer/Acceptance Act of the Exhibition spaces under the contract for the Event holding was not signed, is arranged, and all works on the Exhibition area shall start only after the Act has been signed by the Parties.

The Transfer/Acceptance Act of return of the Exhibition spaces after the Event holding shall be made and signed by the Parties on the grounds of actual measurement of the Exhibition area no later than the last day of the

Overall Event period. The Act shall specify the size of the used Exhibition area (in accordance with conditions specified in clauses 3.3. and 3.4. herein) and also its condition and return date and time.

Obligations under the contract to provide and return the Exhibition spaces are considered completely executed on the date of the signing of the Transfer/Acceptance Act of the Exhibition spaces under the contract for the Event holding and the Transfer/Acceptance Act of return of the Exhibition spaces after the Event holding.

**3.8.** In case of Overtime use of the Exhibition area and lack of the order or the order contract for Overtime use of the Exhibition area, the Organizer shall be charged for the Overtime use of the Exhibition area according to the Basic Contract under terms and conditions set forth in the Services Guide for services provided during holding events in Crocus Expo (hereinafter referred to as Services Guide) and according to the section 4 herein.

#### 4. OVERTIME USE OF EXHIBITION AREA

**4.1.** The Organizer, Builder or Participant, where possible and by agreement with Crocus Expo, may use the Exhibition area overtime including prior to, and after the end of, the Overall Event period. Overtime use of the Exhibition area is subject to terms and conditions set forth in the Services Guide if otherwise is not stipulated by the Basic Contract.

When ordering overtime use of the Area before the Overall Event period the Organizer or the Participant shall provide the period necessary for the General Builder to mark layout of the Exhibition Area.

**4.2.** Overtime use of the Exhibition area during the Overall Event Period shall be decided by Crocus Expo.

**4.3.** Minimum ordered Overtime use period is 2 (two) hours.

**4.4.** Overtime use of the Exhibition area for buildup works within the period from 20:00 of the last day of buildup and till 08:00. of the first day of the Event period is subject to 100% surcharge.

**4.5.** Overtime use of the Exhibition area during the Overall Event period shall be registered by the Service Centre up to 18:00 of the day in question.

**4.6.** In cases of Overtime use of the Exhibition area during buildup and dismantling periods, the Organizer or Participant shall provide for presence of an authorized representative and also persons, responsible for observance of occupational safety regulations, from the companies carrying out works.

At Overtime use of the Exhibition area during the Overall Event period at nighttime (from 20:00 to 08:00) Crocus Expo shall provide for a set of measures aimed at maintaining public order during work at the specified time.

**4.7.** Overtime use of the Exhibition area, move in/out of extra cargoes during overtime use of the Exhibition area at night time shall be approved by Crocus Expo and the Organizer, Participant or Builder shall settle all costs incurred.

#### 5. EXHIBITION AREA CLEANING

**5.1.** Any works on cleaning of floor covering in the Exhibition Centre during the Event period shall be carried out only by the Crocus Expo Administrative department (hereinafter the Administrative department) directly or by accredited contractors, except for the works relating to cleaning, wiping and polishing of exhibits and cleaning of catering zones. Any third party or unrestricted works on cleaning of floor covering in the territory of the Exhibition Centre during the Event period are forbidden. Independent works with use of technical means on cleaning of floor covering in the territory of the Exhibition Centre during the Event period are forbidden.

**5.2.** All kinds of cleaning, waste and garbage removal save for those specified in clause 3.1. herein shall be charged extra by the Organizer.

**5.3.** Cleaning volume related to removal and disposal of construction debris in containers, works timing shall be agreed and resolved by the Organizer with the Event Administrator of Crocus Expo at least 10 (ten) office days prior the beginning of the Overall Event period if otherwise is not stipulated by the Basic Contract.

**5.4.** The Organizer by agreement with Crocus Expo shall allocate necessary amount of time but not less than 4 (four) hours for the Concluding cleaning. By the time of the Concluding cleaning starts the Organizer shall provide for the termination of all buildup and installation works and actions which may result in garbage buildup, and to clear aisles from any goods which are not subject to utilization.

**5.5.** If the Organizer fails to allocate time and ensure the conditions stipulated in clause 5.4. herein for the Concluding and/or Final cleanings within the Overall Event period specified in the Basic Contract, the Organizer shall order and pay the time required for the Concluding and/or Final cleanings on the terms of the Exhibition Space Overtime in accordance with section 4 herein and at the rates specified in the Services Guide.

**5.6.** It is not allowed to put waste in aisles after buildup works. In case of violation removal and disposal of garbage shall be charged at the rates of the Services Guide for 1/5 of aisles space in the hall.

**5.7.** During Event build up and dismantling periods the Contractors and Participants shall package waste and garbage into their own garbage bags and dispose them into ordered dustbins. To remove bulk waste (waste not fitting into garbage bags), the Contractors and Participants shall order special containers. Storage of garbage outside containers is prohibited. The containers shall be loaded during the day in question and delivered to burial on solid domestic waste landfills if otherwise is not agreed with the Crocus Expo Administrative department. Orders for container for bulk waste, packaging and empties 8 cubic m and 27 cubic m submitted during the Overall Event period are executed in agreed with Crocus Expo Administrative department time and are subject to availability.

**5.8.** During the Event period the Participants shall put the waste to be utilized in the aisles in provided waste baskets. Time for removing baskets shall be agreed between the Organizer and Crocus Expo Administrative department. Baskets not put into the aisles will not be emptied. For the rates for disposal of the garbage please refer to the Services Guide.

**5.9.** It is not allowed to carry out waste-producing and finishing works after the Concluding cleaning. The violators shall pay penalty and shall effect payment for the extra cleaning. The space to be cleaned shall be agreed with the Crocus Expo Administrative department. The cost of the service is subject to 100% surcharge to the rates of the Services Guide.

**5.10.** The Exhibition area is considered ready to return after the end of the Overall Event period if it is vacated from the exhibition equipment and garbage. In case of untimely vacation of the Exhibition area there come the consequences provided by conditions of the Basic Contract and the General Terms (clause 3.8. herein).

**5.11.** No vehicle washing and utilization of waste liquids is permitted at Crocus Expo or in the adjacent territory, except for the designated areas.

## 6. EXHIBITION AREA BUILDUP AND DISMANTLING

**6.1.** The procedure of buildup and dismantling works shall be specified by terms and conditions of the Basic Contract, the General Terms herein and by terms and conditions of the contract between the Organizer (Participant) and General Builder and the General Builder Requirements.

**6.2.** Access to the space contracted of the Builder is allowed in due time under the Basic Contract save the Builder hasn't come into contract for Overtime use of the Exhibition area and effected the payment for the Overtime use, upon condition that construction and engineering documentation of the stands, provided to the General Builder for examination, conforms to the rules and requirements in force at Crocus Expo (1<sup>st</sup> and 2<sup>nd</sup> floors of the stand).

**6.3.** The Builders failed to obtain approval of the documentation submitted to the General Builder for examination will not be allowed to the space contracted.

Only non-standard and exclusive stands could be built and decorated by means of the Participants or by the stand-builders contracted by the Participants.

It is not allowed for Builders and Participants to perform buildup and dismantling, decoration works inside standard stands constructed by the General Builder without approval of the General Builder.

**6.4.** A list of documents required for review of stand construction documents shall be determined by the General Builder based on the requirements and rules effective at Crocus Expo as well as regulatory documents of the Russian Federation.

**6.5.** Access to the space contracted for buildup of exposition on the Exhibition area in the Exhibition Centre is allowed upon condition of full complex of required permission documents availability. **6.9.** Employees involved in exhibits and equipment installation and dismantling at stands shall observe terms and conditions specified in the General Builder Requirements.

**6.10.** Event Participants, their representatives and agents shall be fully liable for any damage caused to the areas and property of CROCUS AO or other participants by their acts or omissions.

**6.11.** Crocus Expo reserves the right to forbid the Participant to display exhibits which might be hazardous to public and might cause damage to health of the public.

**6.12.** Projects intended for use of smoke scenic generators, drones (unmanned aircrafts), gas cylinders under pressure, gas equipment, products using open source flame shall be inspected and approved by the specialists of the Crocus Expo Technical Maintenance Service (hereinafter the Maintenance department), the General Builder and the Crocus Expo Fire Safety department (hereinafter the Fire Safety department).

**6.13.** No presentation or audiovisual equipment of the Organizer and Participants may be permitted for use at the Event, until duly inspected and approved by a specialist of the General Builder.

**6.14.** In the Overall Exhibition period, control over compliance with applicable standards and rules during installation and dismantling of the stand and its decorative elements, over work performance requirements provided by law as well as other safety regulations shall be exercised by the General Builder, compliance with fire safety rules shall be monitored by Authorized Persons of the Crocus Expo Technical Maintenance Service, compliance with occupational safety regulations shall be monitored by authorized representatives of the Organizer, Builder and Participant respectively.

## 7. EVENT PERIOD

**7.1.** During the Event period the Exhibition Centre operating hours are from 08:00 to 20:00, if otherwise is not stipulated by the Basic Contract.

**7.2.** It is not allowed to move in equipment and exhibits on the first day of the Event without Crocus Expo approval.

**7.3.** The Event will be open for visitors 8 hours a day. Daily, two hours before and two hours after the Event hours shall be assigned to Crocus Expo services for cleaning, preventive maintenance, repair and other works in the Exhibition areas. At this period of time the Organizer and Participants may perform any works only within the limits of their stands, management offices, press centres and other premises, provided that it does not hinder the work of Crocus Expo services if otherwise is not stipulated by the terms and conditions of the Basic Contract.

**7.4.** Following the Event schedule set forth by the Basic Contract the Organizer shall ensure the due time closing of the Event and compliance with the regulations in force at Crocus Expo. The Organizer shall ensure the due time vacating of the Exhibition areas and premises by the visitors and Participants after closing of the Event and shall be present with opening/closing of exhibition halls.

**7.5.** The Exhibition halls will be closed and sealed and placed under security during the period from 20:00 to 08:00 if not otherwise stipulated by the Basic Contract save cases stipulated by clause 4.6. herein. No one will be allowed to stay in the sealed halls.

**7.6.** In case drink receptions, concerts etc. are held in the halls after the end of the Event hours the Organizer in coordination with Crocus Expo shall take measures to ensure safety of the premises and the exhibits.

## 8. SERVICES PROVIDED TO EVENT ORGANIZER AND PARTICIPANTS

**8.1.** Crocus Expo shall render services to the Organizer and Participants under concluded Basic Contracts on the basis of submitted and accepted orders (save services rendered to the Organizer in accordance with order contracts specified in clauses 10.2. and 13.2. herein).

Services shall be rendered to other Participants with which there is no Basic Contract on the basis of submitted and accepted contract-orders.

The Organizer shall submit orders and order contracts in standard forms effective in the Exhibition Centre.

The service customer with whom there is no Basic Contract may be:

- a natural person (including an individual entrepreneur) who enters into a contract-order in person (with the provision of a document confirming his identity) or through a legal or authorized representative (with the provision of a document confirming the identity of the representative, as well as a document confirming the representation, or notarized power of attorney);

- a legal person on whose behalf the contract-order is concluded by a legal representative (general director or other person who has the right to act on behalf of a legal person without proxy) or an authorized representative. These representatives of a legal entity provide a document confirming the identity of the representative, as well as a document confirming the legal representation (as a rule, an extract from the Unified State Register of Legal Entities), or a power of attorney issued in simple written or notarized form.

The orders shall be submitted by the Organizer, Participant or other participants within a timeframe stipulated in the Services Guide if otherwise is not stipulated by the terms and conditions of the Basic Contract.

Crocus Expo shall accept or refuse the acceptance of the order within 3 (three) office days.

Thus the duly arranged order shall become the order contract on the date of acceptance notification by Crocus Expo to the service customer. The mandatory condition of such contract is 100% prepayment for each ordered service before the beginning of the Overall Event Period.

The services provided will be charged as per rates of the Services Guide on the payment date if otherwise is not stipulated by the terms and conditions of the Basic Contract. Services not stipulated in the Services Guide shall be rendered at agreed rates.

The service shall be rendered at the presence of the customer or his representative.

In case of untimely payment by the customer of works and services provided in accordance with the Services Guide, Crocus Expo shall be entitled to retain property owned by the customer and/or refuse to fulfill its obligations under the works (services) ordered by the customer until full payment for works and services has been made in accordance with Articles 328, 359 and 712 of the Civil Code of the Russian Federation.,

**8.2.** Late orders submitted by the Organizer outside the timeframe specified in the Services Guide are subject to 50% surcharge.

For the list of services which are not subject to 50% surcharge please refer to the Services Guide.

**8.3.** Orders submitted by the Organizer during the Overall Event period are provided subject to technical availability and shall be paid for during 5 (five) office days after the date of the Overall Event period end. Orders submitted by the Participant during the Overall Event period are provided subject to technical availability and shall be paid for 100% in advance.

**8.4.** If the customer refuses the service (cancellation of the order for the service) later than the terms specified in the Services Guide, the customer of the service shall pay to Crocus Expo property compensation in the amount and in the manner provided for in the Services Guide. Thus the money paid for such an order is subject to offset against the payment by the customer of the amount of property compensation. The same rules apply if the customer refuses part of the service (partial cancellation of the service order).

**8.5.** In cases when the customer increases the volume and accordingly the ordered service cost under one section of the Services Guide, within the period when the service is payable with a surcharge according to clause 8.2. herein, the surcharge applies only to the cost of the additional amount of the service.

If the customer replaces one service with another service of the same type with an increase in its volume and corresponding cost within the period when this service is payable with a surcharge according to clause 8.2. herein, the surcharge shall apply to the cost of the entire scope of the service. And the customer is exempted from payment of property compensation for cancellation of the initial order of the service.

**8.6.** Crocus Expo is to sell entry tickets and the Event show catalogues, if otherwise is not stipulated by the Basic Contract.

**8.7.** Any commercial activity, catering and consumer services provision within the space contracted shall conform to the statutory regulations and laws regulating commercial activities, catering and consumer services provision and provision of fee-based services.

**8.8.** Employment of a foreign citizen or a person without citizenship to work in the Exhibition areas shall be made in strict accordance with rules of attraction to work in the Russian Federation of foreign citizens and persons without citizenship and rules of migration registration.
